HOW TO PLAY:

1. Print the cards and cut along the lines. Laminate if you want them to last.
2. Mix the cards and lay them face down in rows.
3. Take turns flipping two cards. If they show the same letter in uppercase and lowercase, keep the pair.
4. If they don't match, flip them back and try again on your next turn.
5. Play until all pairs are found. The player with the most pairs wins.

Tip: Start with fewer pairs for beginners. Add more as skills grow.

MORE WAYS TO USE THE CARDS:

- **Alphabet sorting:** Make two piles for uppercase and lowercase.
- **Letter sounds:** Say the sound each time a card is flipped.
- **ABC order:** Line up cards in sequence to practice ordering.
- **Go Fish:** Use the cards like a simple Go Fish game. Ask “Do you have the lowercase g?”
